# PRESIDENT'S MESSAGE

## President's Message for April, 2024

I had the opportunity a couple of weeks ago to have a cool drink with an old friend from my working days so long ago. We shared a couple of retirement updates family stories before she asked "are you still fooling around with old cars?" 'Why yes, yes I am.' She seemed puzzled but gave me a look of sympathy and gentle acknowledgement. Not approval or enthusiastic support, but a look someone would display when seeing a tired old dog paired with glint of pity.

Don't get me wrong, we are friends but my interest in classic cars is pretty much a direct opposite of her interests. We continued our chat and finished up with a promise not to wait several years to chat again.

When you talk to others outside of the car hobby, do you get a similar question? It seems that the other person expects that you would have outgrown the need to be around old cars or to simply stop living in the past. 'That is an expensive hobby' they say only for you to reply that those old cars get more valuable each year, maybe even beating the rises in the stock market. You must be a genius, you think.

It's easy to forget the breakdowns and the multiple times you have crawled under that car to fix something or banging your head on the underside of the hood. Oil stained clothes, exhaust soot on your face, cuts or grease stains on your hands that take days or weeks to disappear. Having to explain to neighbors why your car hasn't been around for a few days.... weeks.... or months. Small electrical fires, coolant temperatures above 230 degrees, stalling, or having to explain why there is an old junk car in your side or back yard. Yes, these are all part of the journey of owning an old car or cars.

So, what do we get from this? Anticipating the next time, you get to drive it. Opening the garage door and pulling the cover off your classic and falling in love yet again. Driving down the road and getting a thumb's up from other drivers, even those much younger than us. Having strangers walk over while you are putting in another 15 gallons in the tank asking what year it is and telling you 'What a beautiful car.' Sitting behind it at a show and hearing dads tell their sons and daughters what it is (or isn't). Meeting people who are so excited about your car that they have a moment right there.

So, do I still fool around with old cars, yes, yes, I do.

### **Pontiacs of Central California Mission Statement:**

#### **OUR MISSION, FUN!!!**

We are made up of a group of people with various backgrounds who have one thing in common, we LOVE **PONTIACS**. We drive 'em, work on 'em, polish 'em, restore 'em, break 'em (even cuss 'em) and have a lot of fun doing it. Be it an old '52 Chieftain straight-eight, a new WS6 Trans Am, or anything in between.

We are individuals, couples, and families that like to get together for a variety of activities. We host an annual judged car show and participate as a club in other local and regional car shows. We have informal BBQ Show and Shines and get together for Brunch and Dinner Cruises. We also attend the local Cruise Nights as a group. The cars in the club range from Concours cars, daily drivers, drag racers and cars undergoing restoration. Our goal is to have FUN while enjoying our **PONTIACS**.

*If this sounds like something you would enjoy,  
JOIN US!!!*

**General Membership meetings are held on the 2nd Monday of the month, at Yosemite Falls in Granite Park at 7PM. interested visitors are welcome.**

POCC is a chapter of the Pontiac Oakland Club International (POCI) and we would like for our members to also be members of POCI, but it is not a requirement. The yearly membership fee for POCI includes a subscription to POCI's monthly magazine the Smoke Signals. The \$39 annual membership fee includes the Smoke Signals sent via U.S. mail while the \$25 annual membership fee is for an E Membership with full member privileges and online access to the Smoke Signals. Please visit [www.poci.org](http://www.poci.org) for further details.

# Join POCI!

## Keeping the Pontiac Legacy Alive...

Formed in 1972 by a small group of enthusiasts who wanted to pool as much Pontiac and Oakland information as was possible, the first convention was held the following year in Camp Hill, Pennsylvania. Since then, POCI chapters have formed all over the country and POCI Conventions have been held every year in a variety of locations. The events include a car show, tech seminars, presentations, drag racing and a great swap meet. GMC trucks were included in 1998, due to their close relation to Pontiac.

The club's magazine, *Smoke Signals*, also started in 1972 and has evolved into a world-class, award-winning monthly that continues to raise the bar for non-commercial publications. *Smoke Signals* was redesigned in 2006 and again in 2013. Today, it is a 92- to 100-page, full-color publication printed on heavyweight paper and also comes in digital form.

We are very excited with the future of the Pontiac hobby and we invite you to join POCI and start receiving *Smoke Signals*. Please note that members get access to download our digital editions that go all the way back to 2006.

We welcome anyone and everyone with an interest in Pontiacs, Oakland's and GMCs of any age or type to join us. Just use the membership form provided and get in on the action.

Whether you have an early Pontiac, a muscle-era GTO or Firebird, a full-sized Wide Tracker or late-model Trans Am, Solstice, or G8, we have a place for you and your car.

We thank you for your time and look forward to seeing you at a POCI event soon! (Taken from) [www.poci.org](http://www.poci.org)

# ACTIVITIES

Pontiacs of Central California was well represented at the Webber Car Show in Sanger. We met up and drove in together we had three GTOs and a Trans Am. A beautiful Chevy Truck joined us and we entered the too. Great time!

This show had about seven categories and 1st, 2nd and 3rd in each category. Three Pontiacs took awards in two of the categories, which is very impressive, as there were 300 cars in the show.

There was a memorial award for Best GTO in the Show. Sheryl's '64 was selected by the Hudson family for the "Earl Hudson Memorial Trophy". There were 4 generations of the Hudson family at the show to present the trophy. The Hudson's are Pontiac people from way back, but '64 GTOs are very special to them because that's what Earl Hudson drove. Sheryl

## POCC Welbe Car Show

During February 2024, a request came through the Clubs Website asking if we do car shows for other organizations and, if we did, what the charge would be. In the answer to this request an explanation was received that indicated that they would like to have several classic cars available for viewing by the clients of a senior care facility. I indicated that we normally would not charge but they offered to provide us lunch anyway. As we were scheduling this event some difficulties came up, the first being that they didn't have a place to hold it. After several discussions and wondering if we could even do the event, they were able to reserve parking spaces in the city parking lot next door.

On March 15 several club members participated by bringing 5 Pontiacs and 1 Cadillac for the viewing by the clients of the Welbe Senior Center in downtown Fresno. We had a great time showing our cars and talking with the patients from this center. It was a very worthwhile activity and ended with a great lunch at the senior center. 🍴

# ACTIVITIES

POCC Day at the Museum of Valor on Fresno Street in Downtown Fresno. Over a dozen club members visited the museum housed in the old Memorial Auditorium. As with some of our recent activities, many in the group had never visited the Museum although they had driven past many times over the years.

Once inside the museum really shined with dozens and dozens of well laid out displays recounting the history of our military from the Revolutionary War to the most recent conflicts in the Middle East. Included were displays of military uniforms, guns, models of ships and planes plus dioramas of war scenes and a most impressive display of model Navy ships.

Many members could find displays that related directly to their military service or the service offered by family members in all branches. Retired members of the military were on hand to answer questions and direct visitors to specific areas or displays. The museum was a tangible example of how a community and country can say 'thank you for your service.'

The visit was followed by a lunch at BJ's Restaurant at Fashion Fair. Those attending included new/old member Glen McGhie, Bill and Cheryl Richards, Sam and Elaine Fisher, Mark Lanier, John Berglund, Paula and Tom Yost, Andy and Diana Hoff, Jeannie King and Jan Bianchi.

### PontiActivities for April, 2024

We saluted all veterans on March 23 as club members gathered at the Legion of Valor Museum on Fresno Street in the old Memorial Auditorium. It was quite a place. See the write-up in this issue of Straight Arrow.

For April, we will take to the road for a cruise and great lunch. Meeting place and schedule will be shared at the April Meeting and via email plus reminders. This promises to be a great day on the road. Stay tuned!

We are working hard to plan the best activities possible for 2024. If you have visited a unique or tasty place that you feel others might enjoy, please send that information to us at [andiana766@gmail.com](mailto:andiana766@gmail.com) so we can add it to the list of new places to go.

We also hope you will add attending club meetings, spring car shows and activities to your calendar. We have a great time enjoying our cars and each other's company. Watch you email and our club Facebook page for pop-up car shows, Cars and Coffee events and much more. Hope to see you soon!
